

Twister Go Wood

Our Twister Go Wood Flash Drive features a stunning wooden shell just like our [Twister Wood model](#). The Twister Go Wood boasts dual USB connectors which include the standard USB connector and the popular USB-C connector. We can add your logo and slogan to the 360° rotating metal shell via our Screen Printing and Laser Engraving methods. We can also engrave every item in your order with a unique name or serial number via our Individual Naming service.
